

## Status Required in MPMS to Automatically Generate a CE Expert System Package

The following is a copy of the screen in MPMS showing the information required for a user to move the status of an MPMS from Incomplete to Candidate...

The screenshot displays the MPMS web application interface. At the top, there is a header for the Pennsylvania Department of Transportation with the MPMS logo and user information for Laura Montgomery. Below the header is a navigation menu with options like HWY & BR, Program, Mgmt Actn, Fiscal, Search, Reports, Admin, and Help. The main content area is titled 'Overview - Basics' and shows project details for project 104254, 'Salisbury Bike & Sidewalk'. The project status is 'Candidate'. Below this, there are tabs for 'Basics', 'Milestones', 'Requirements', 'Close Requirements', and 'Mgmt. Group Associations'. The 'Requirements' tab is active, showing a list of 'Project Level Requirements' and 'Phase Level Requirements', all of which are marked as complete with checkmarks.

Project: 104254	Salisbury Bike & Sidewalk	Manager: MTA
